PT

A ValStone Natural Stone foi fundada em 2003 e está sediada no Coração do calcário Português, (Porto de Mós) a sociedade ValStone Comércio de Calcários, Lda.

O Know-How e experiência adquirida ao longo dos anos, permite-nos identificar e aconselhar os nossos clientes nas suas escolhas e gerar um maior aproveitamento da matéria-prima. Estabelecemos parcerias com empresas do setor que permitiram à empresa apresentar uma variedade de produtos de qualidade.

Um dos objetivos da ValStone é a internacionalização, pelo que a participação em feiras internacionais de rochas ornamentais tem vindo a aumentar e é um indicador de referência. Não menos importante o Mercado Nacional, onde nos permite ir ao encontro das melhores soluções para o fornecimento de matéria-prima a fábricas de transformação de pedra natural.

EN

ValStone Natural Stone was founded in 2003 is headquartered in the Heart of Portuguese Limestone, (Porto de Mós) the society ValStone Comércio de Limestones, Lda.

The know-how and experience achieved over the years, allows us to identify and advise our customers in their choices and generate a greater use of the raw material. We have established partnerships with companies in the sector that have allowed the company to provide a variety of quality products.

One of ValStone's objectives is internationalization, so participation in international ornamental rock fairs has been increasing and is a benchmark. Not least the National Market, where it allows us to assemble the best solutions for the supply of raw materials to natural stone factories.

PT

A nossa atividade consiste no fornecimento de Pedras Naturais, seja em blocos, chapas, ladrilho para revestimento interior ou exterior, material por medida com diferentes tipos de acabamentos.

Temos em consideração as exigências dos nossos clientes, efetuamos diferentes tipos de acabamentos: serrado, polido, escovado, bujardado, amaciado, escacelhado, riscado e flamejado.

A ValStone está localizada na N362 na localidade de Cabeça Veada, entre Porto de Mós e Santarém, onde detém o seu parque. As instalações estão em constante crescimento e evolução devido à enorme variedade de oferta de pedras naturais e à sua organização e coordenação que a torna eficiente.

EN

Our activity consists in the supply of Natural Stones, whether in blocks, slabs, tiles for interior and exterior cladding and cut-to-size with different types of finishes.

We have the concern about the requirements of our clients, we perform different types of finishes: sawned, polished, brushed, bush hammered, honed, splitted and flamed.

ValStone is located on N362 in Cabeça Veada, between Porto de Mós and Santarém, where it own park. The facilities are continuously growing and evolving due to the huge commerce of various natural stones and our organization and coordination that makes it efficient.
